

- In-School Assembly,
- Classroom Curriculum Support Programs,
- After-School Cooking Clubs

Ready, Set, Learn!!! Learning comes alive in the kitchen classroom, where kids mix math, simmer science, and taste geography! Kids will remember this for the rest of their lives. Taught in a fun and exciting way by a chef.

**Pre-K through high school; and special education programs.
Starting with our “Early Food Appreciation”.**

Math Chefs

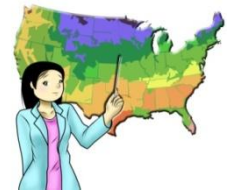

Science Chefs:

**Space Chefs
Matter & Energy
